Dear Frank,
 Your "magical" presence at our summer reading kickoff was certainly a success. You established great rapport with the children and kept us all under your magical spell. I thank you for being here and we look forward to working with you in the future. Perhaps we can arrange a magic show for the fall.
 Sincerely,
 Dianne Brady

To Whom It May Concern:

Frank King's two magician acts were very much enjoyed and appreciated at the Lewis A. Ray Library, one of 14 Cobb County Libraries. Both group of children were on the edge of their seats while he performed. There were 26 children in the first group and 37 in the second with both groups ranging in age of six to twelve.

Examples of some of his magic hat tricks were ball-coin tricks, card tricks, rope tricks, and the Chinese Sticks. In the Quarter/Milk trick, he used group participation and in one of his rope tricks he told the children a story. In the "La Grand Zombie," trick a ball which floats under a scarf, amazed and enthralled the children at the end of the show.

We are sure you would enjoy his magic shows and talent for a group you have in mind.

Sincerely,

Maria Jacobs

Dear Frank

Sorry this is so late, but I've been tied up with another show at school. I wanted to say "Thanks" for all of your help with "The Star Spangled Girl", "Seven Last Words" and the Scott Wesley Brown Show.

I could not have done it without your help. I really do appreciate you coming down there and staying up all night.

We will be doing other things in the future, (one of which will be your movie, I hope) and I hope I can call on you.

Take care and best always,

Dear Frank:

Our camps could not continue without the volunteers that give of their time and efforts to assist as counselors. You have contributed not only to the on-going camping program of the association, but by your example and dedication you have planted the seeds of the Christian faith in many young lives.

I want to thank you for your assistance in this year's camp. I am looking forward to next year and hopefully you can help us again as we share with children at Camp Tugalo.
